

HIGHTAIL GUIDE

Send us your large file (up to 50MB)
for free using www.hightail.com

- If you have not used this website before you will be asked to join (click on the join free button) and this will enable you to log in for sending more files in the future.
- Once you have sent the file we will be emailed with a link. On clicking the link we will be taken to a website to download the file.
- Please note: only one file may be sent at a time.

1. Go to www.hightail.com
2. Login at the top and select the send tab
3. Enter info@cq.co.nz in the 'To' box
4. Enter a subject if needed & instructions in the message field
5. Select the file from your computer using the upload from desktop button
6. Select any pay per use options you would like. (Files totaling under 50mb can be sent at no charge.)
7. Send the file
